

THANK YOU

At 24 years old, Parker Kasko was diagnosed with stomach cancer. His successful treatment required multiple surgeries at Chinook Regional Hospital. “Those nurses, especially, they made sure I was always comfortable in every room right after my surgery, every time I woke up.” he says. “Even if you have five dollars, ten dollars [to give], it doesn’t have to be a crazy amount! It can go towards something even like popsicles for patients when they wake up! When you consider all the little things, it adds up - so your support really does go a long way!”

The Chinook Regional Hospital Foundation is a philanthropic partner raising funds for state-of-the-art equipment, special projects, and programs that benefit healthcare across southwest Alberta. Since our founding in 1988, you have entrusted us with approximately \$45M - money we've put to good use boosting everything from cardiac care to mental health support.

Care From the Heart Day is our biggest fundraising day of the year. It's your chance to get involved and make a real difference to the health and well-being of your friends, family, neighbours, and community. Don't miss this wonderful opportunity!
