About the Christmas Tree Festival

After two years of cancellations, the 28th Annual Christmas Tree Festival will be spreading holiday cheer once again!

The Chinook Regional Hospital Foundation Christmas Tree Festival has been a cherished family tradition in Lethbridge, officially kicking off the holiday season while raising funds for healthcare. The last time we gathered in 2019, the Festival raised over \$160,000 for the Chinook Regional Hospital Foundation, richly impacting health care right here at home in Southern Alberta.

During this year's four-day Festival, the Enmax Centre will be transformed into a whimsical Winter Wonderland by caring hearts and hands, featuring beautifully decorated trees, wreaths and displays, festive activities, and a glitzy Gala that is sure to enchant VIP guests – all made possible thanks to the extraordinary generosity of our sponsors. Proceeds from the event will further support the mission of the Chinook Regional Hospital Foundation.

About the Chinook Regional Hospital Foundation

The Chinook Regional Hospital Foundation is a charitable organization dedicated exclusively to raising and accepting funds to support the priorities of the Chinook Regional Hospital and Alberta Health Services in Lethbridge and Southern Alberta. The contributions of community-minded businesses such as yourself will ensure we can keep fulfilling our promise to enhance the care provided at your hospital.
