

CARE FROM THE HEART DAY

Building on a Legacy

Balog Auction

"As someone who has called the Lethbridge area home for more than five decades, it is a privilege to stand alongside our community once again for **Care from the Heart Day**. My family, like so many others, has experienced the **exceptional care, skill, and compassion of the Chinook Regional Hospital** firsthand.

As our community grows, so does the need for strong, sustainable hospital services. **Care from the Heart Day** brings people together in a way that is truly unique, Lethbridge and southern Alberta consistently show up, give generously, and demonstrate how deeply they value the hospital at the centre of our region's health.

This year, I'm asking our community to join me once again. Support the Chinook Regional Hospital Foundation in whatever way you can, through donating, sharing the message, or encouraging others to take part. **Every gift, every voice, and every act of support strengthens the care available to all of us.**"

Lethbridge Costco

For more than 30 years, Costco has proudly supported **Care from the Heart**, standing behind a cause that reflects what matters most to us: **caring for our community**. Our long-standing partnership with **Chinook Regional Hospital** is strengthened by the generosity of our employees, loyal members, and local supporters who come together each year to make a meaningful difference.

From individual member donations at the front-end registers to the incredible support of service providers, local businesses, and colonies, this campaign truly reflects the power of collective giving. With a **portion of contributions being matched by Costco**, contributions are amplified, each dollar goes further - creating an even greater impact for patients and families who rely on care close to home.

About the Chinook Regional Hospital Foundation:

The Chinook Regional Hospital Foundation is the leading philanthropic partner for Chinook Regional Hospital and surrounding healthcare facilities. With the support of generous donors, we drive innovation, fund state-of-the-art equipment, and sustain essential programs that enhance patient care across southern Alberta.

Care From the Heart Day aims to raise \$250,000 in support of the Chinook Regional Hospital Foundation (CRHF) providing vital resources for patient care in Southern Alberta. The Foundation anticipates campaign-related costs of approximately \$35,000 to successfully achieve this goal.
